

## CANJE DE COLECCIONES

ENTRE EL MUSEO DE LA PLATA Y EL ROYAL ONTARIO MUSEUM DE CANADA

---

### Material remitido por el Museo de La Plata

- Dos esqueletos de *Sclerocalyptus leptcephalus* (calcos).
- Tres esqueletos de *Macrauchenia patachonica* (calcos).
- Cráneo y mandíbula de *Miolania argentina* (calco).
- Un esqueleto de *Toxodon platensis* (calco).
- Cráneo de *Adinotherium ovinum* (calco).
- Tres esqueletos de *Toxodon platensis* (calcos).
- Cráneo y mandíbula de *Megatherium americanum* (calcos).
- Cráneo y mandíbula de *Glyptodon clavipes* (calcos).
- Cráneo de *Onhippidium compressidens* (calco).
- Un esqueleto de *Glyptodon clavipes* (calco).
- Un esqueleto de *Smilodon bonaerensis* (calco).
- Una pequeña colección de moluscos terciarios (originales).
- Caparazón, cráneo y mandíbula de *Glyptodon reticulatus*, de Mar del Plata (originales), con sus armaduras para el montaje.

### Material recibido del Royal Ontario Museum de Canadá

#### PROBLEMATICUM

*Arthropycus alleganiensis* (Harlan), Siluriano, Medina Formation, Ontario.

#### COELENTERATA : PORIFERA

*Receptaculites cf. occidentalis* (Salter), Ordoviciano, Black River Form. Paquettes Rapids, Ontario.

#### COELENTERATA : ANTHOZOA

*Blothrophyllum decortikatam* Billings, Devoniano, Onondaga, Form., Ontario.  
*Columnaria alveolata* Goldfuss, Ordoviciano, Meaford Form., Credit River, Ont.  
*Columnaria halli* (Nicholson), Ordoviciano, Black River Form., Paquettes Rapids, Ontario.

- Cystiphyllum vesiculosum* Goldfuss, Devoniano, Hamilton Form., Thedford, Ont.  
*Diphyphyllum sincoense* Billings, Devoniano, Onondaga Form., Ontario.  
*Enterolasma caliculum* Hall, Siluriano, Rochester Form., Grimsby, Ontario.  
*Eridophyllum colligatum* (Billings), Devoniano, Onondaga Form., Ontario.  
*Heliophyllum halli* Edwards et Haime, Devoniano, Hamilton, Form., Thedford, Ontario.  
*Microcyclus discus* Meek et Worthen, Devoniano, Hamilton Form., Thedford, Ontario.  
*Strombodes pentagonus* Goldfuss, Siluriano, Lockport Form., Manitoulin island, Ontario.

COELENDERATA : TABULATA

- Alveolites goldfussi* Billings, Devoniano, Hamilton Form., Thedford, Ontario.  
*Cladopora frondosa* (Nicholson), Devoniano, Hamilton Form., Thedford, Ont.  
*Cladopora labiosa* (Nicholson), Devoniano, Hamilton Form., Thedford, Ontario.  
*Favosites arbuscula* Hall, Devoniano, Hamilton Form., Thedford, Ontario.  
*Favosites gothlandicus* Tought, Siluriano, Lockport Form., Manitoulin Island, Ont.  
*Favosites nitella* Winchell, Devoniano, Hamilton Form., Thedford, Ontario.  
*Favosites turbinatus* Billings, Devoniano, Onondaga Form., Ontario.  
*Halysites catenularia* (Linn.), Siluriano, Lockport Form., Manitoulin Island, Ont.  
*Michelinia clappi* Edward et Haime, Devoniano, Onondaga Form., Ontario.  
*Michelinia convexa* D'Orbigny, Devoniano, Onondaga Form., Ontario.  
*Striatopora Linnaeana* Billings, Devoniano, Hamilton Form., Arkona, Ontario.  
*Trachypora elegantula* Billings, Devoniano, Hamilton Form., Arkona, Ontario.

COELENDERATA : GRAPTOLITA

- Climacograptus Prolificus* Parks, Ordoviciano, Collingrood Form., Craigeleith, Ontario.  
*Diplograptus montis* Parks, Ordoviciano, Blue Mt. Form., Camperdoson, Ont.  
*Glossograptus quadrimucronatus* (Hall), Ordoviciano, Blue Mt. Form., Camperdoson, Ontario.  
*Mastigograptus gracillimus* Lesquereux, Ordoviciano, Dundas Form., Toronto, Ontario.

ECHINODERMATA : PELMATOZOA

- Anchyrocrinus bulbosus* Hall, Devoniano, Hamilton Form., Thedford, Ontario.  
*Arthrocantha punctobrachiata* Williams, Devoniano, Hamilton Form., Thedford, Ontario.  
*Caryocrinus ornatus* (Say), Siluriano, Rochester Form., Grimsby, Ontario.  
*Capulocrinus humilis* (Billings), Ordoviciano, Trenton Form., Kirkfield, Ont.  
*Stephanocrinus angulatus* Conrad, Siluriano, Rochester Form., Grimsby, Ont.

MOLLUSCOIDEA : BRIOZOAISOS

- Bythopora arcipora* Nicholson, Ordov., Dundas Form., Workmans Creek, Ont.  
*Chasmatopora angulata* (Hall), Siluriano, Cataract Form., Credit Fooks, Ont.  
*Hallopora onealli danforthensis* Parks et Dyer, Ordoviciano, Dundas Form., Toronto, Ontario.  
*Helopora fragilis* Hall, Siluriano, Cataract Form., Credit Fooks, Ontario.  
*Heterotrypa definita* Dyer, Ordoviciano, Meaford Form., Credit River, Ontario.  
*Mesotrypa prolifica* Fritz, Ordoviciano, Cobourg Form., Collingrood, Ontario.  
*Phalnopora expansa* Hala et Whitfield, Siluriano, Cataract Form., Credit, fooks, Ontario.  
*Prasopora sehoyni* (Nicholson), Ordovician, Trenton Form., Kirkfield, Ontario.  
*Ptiloporella nervata* (Nicholson), Siluriano, Rochester Form., Grimsby, Ontario.

VERMES

- Cornulites sterlingensis* Meek et Worthen, Ordoviciano, Dundas Form., Workmans Creek, Ontario.

MOLLUSCOIDEA : BRACHIOPODA

- Athyris spiriferoides* Eaton, Devoniano, Hamilton Form., Thedford, Ontario.  
*Atrypa reticularis* (Linnaeus), Devoniano, Hamilton Form., Thedford, Ontario.  
*Camarotoechia plena* (Hall), Ordoviciano, Chazy Form., Winchester Yp., Ont.  
*Chonetes scitulus* Hall, Devoniano, Hamilton Form., Thedford, Ontario.  
*Coelospira planoconvexa* (Hall), Siluriano, Cataract Form., Oiven, Sound, Ont.  
*Conchidium occidentale* Hall, Siluriano, Guelpú Form., Durham, Ontario.  
*Cyclorhina nobilis* Hall, Devoniano, Hamilton Form., Thedford, Ontario.  
*Cyrtina hamiltonensis* Hall, Devoniano, Hamilton Form., Thedford, Ontario.  
*Dalmanella cf. engeniensis* (Williams), Siluriano, Cataract Form., Credit Fooks, Ontario.  
*Dalmanella rugostriata* Panks et Dyer, Ordovician, Dundas Form., Toronto, Ont.  
*Hebertella occidentalis* (Hall), Ordoviciano, Meaford Form., Workmans Creek, Ont.  
*Hederella filiformis* (Hillings), Devoniano, Hamilton Form., Thedford, Ontario.  
*Leptaena rhomboidalis* (Wilckens), Devoniano, Ariskany Form., Ontario.  
*Lichenalia concentrica* Hall, Siluriano, Lockport Form., Hamilton, Ontario.  
*Lingula cobourgensis* Billings, Ordoviciano, Collingrood, Craigeleith, Ontario.  
*Lingula progne* Billings, Ordoviciano, Collingrood Form., Graigeleith, Ontario.  
*Leiorhynchus laura* (Billings), Devoniano, Hamilton Form., Thedford, Ontario.  
*Orthis tricenaria* Conrad, Ordoviciano, Balck River Form., Paquettes Rapids, Ont.  
*Pholidostrophia iowensis* Owen, Devoniano, Hamilton Form., Thedford, Ontario.  
*Plectambonites sericeus* (Sow), Ordoviciano, Dundas Form., Toronto, Ontario.  
*Rafinesquia deltoidea* (Conrad), Ordoviciano, Cobourg Form., Collingrood, Ont.  
*Rhynchotrema encrebescens* (Hall), Ordoviciano, Trenton Form., Manitoulin Island, Ontario.  
*Rhipidomella vanuacemi* Hall, Devoniano, Hamilton Form., Thedford, Ontario.  
*Spirifer arenosus* (Conrad), Devoniano, Oriskany Form., Ontario.

*Spirifer pennatus arkonensis* Graban et Shimer, Devoniano, Hamilton Form., Thedford, Ontario.

*Spirifer pennatus thedfordensis* Graban et Shissar, Devoniano, Hamilton Form., Thedford, Ontario.

*Zygospira erratica* Hall, Ordoviciano, Dundas Form., Toronto, Ontario.

MOLLUSCA : LAMELLIBRANCHIATA

*Arctica ovata lata* Whiteaves, Cretáceo, Bearpaw Form., St. Marys River, Alberta.

*Byssonychia radiata* (Hall), Ordoviciano, Dundas Form., Toronto, Ontario.

*Callista deweyi* Meek et Hayden, Cretáceo, Bearpaw Form., St. Marys River, Alberta.

*Clidophorus planulatus* (Conrad), Ordoviciano, Dundas Form., Toronto, Ont.

*Corbicula cytheriformis* M. et H., Cretáceo, Pierre Form., Old Man River, Alberta.

*Corbula perangulata* Whiteaves, Cretáceo, Pierre Form., Old Man River, Alberta.

*Exogyra incipiens* Sanderson, Cretáceo, Pierre Form., Old Man River, Alberta.

*Inoceramus barabini* Morton, Cretáceo, Pierre Form., Vanguard, Saskatchewan.

*Liopistha undata* Meek and Hayden, Cretáceo, Pierre Form., Bullshead, Alberta.

*Lyrodesma poststriatum* (Emmons), Ordoviciano, Dundas Form., Toronto, Ont.

*Megalomus canadensis* Hall, Siluriano, Guelph Form., Ontario.

*Modiodesma concentrica* Halland et Whitfield, Ordoviciano, Dundas Form., Toronto, Ontario.

*Modiodesma modiolare* (Conrad), Ordoviciano, Dundas Form., Toronto, Ontario.

*Ostrea subtrigonalis* (E. et S., Cretáceo, Belly River Form., S. et Marip River, Alberta.

*Pachydictya foliata* Ubrich, Ordoviciano, Trenton Form., Tirkfield, Ontario.

*Protocardia borealis* Whiteaves, Cretáceo, Bearpaw Form., Bullshead, Alberta.

*Protocardia subquadrata* E. and S., Cretáceo, Bearpaw Form., Bullshead, Alberta.

*Psilocoeloceras sinuata borealis* Toerste, Ordoviciano, Dundas Form., Toronto, Ont.

MOLLUSCA : GASTROPODA

*Campeloma producta* White, Cretaceous, Ravenscrag Form., Bullshead Creek, Alberta.

*Coelocaulus longispira* (Hall), Siluriano, Guelph Form., Elora, Ontario.

*Diaphorostoma lineatum* (Conrad), Devoniano, Hamilton Form., Thedford, Ont.

*Hormotoma trentonensis* (Ubrich et Sesfield), Ordoviciano, Cobourg Form., Collingwood, Ontario.

*Melania insculpta* Meek, Cretáceo, Belly River Form., Bow Island, S. Saskatchewan River.

*Lophospira beatrice parva* Parks, Ordoviciano, Dundas Form., Toronto, Ontario.

*Lophospira bowdeni* Safford, Ordoviciano, Meaford Form., Workmans Creek, Ont.

*Lophospira helicteres* (Salter), Ordoviciano, Black River Form., Paquettes Rapids, Ontario.

*Platyceras varispinosum* Hall, Devoniano, Hamilton Form., Thedford, Ontario.

- Pteria linguiformis* E. et S., Cretáceo, Bearpaw Form., Bullshead, Alberta.  
*Raphistomina laurentina* (Billings), Ordoviciano, Beekmantown Form., Carleton County, Ontario.  
*Trochonema umbilicatum* Hall, Ordoviciano, Cobourg Form., Collingrood, Ont.

MOLLUSCA : CEPHALOPODA

- Actinoceras crebrisepalum* (Hall), Ordoviciano, Dundas Form., Toronto, Ontario.  
*Tornoceras uniangulare* (Conrad), Devoniano, Hamilton Form., Thedford, Ont.

ARTHROPODA : ENTOMOSTRACA

- Primitiella ubrichi* Jones, Ordoviciano, Collingrood Form., Craigleith, Ontario.

ARTHROPODA : TRILOBITAE

- Ogygites canadensis* (Chapman), Ordoviciano, Collingrood Form., Craigleith, Ontario.  
*Phacops rana* Grun, Devoniano, Hamilton Form., Thedford, Ontario.  
*Triarthrus canadensis* Smith, Ordoviciano, Glonuster Form., Whithy, Ontario.  
*Triarthrus spinosus rougensis* Parks, Ordoviciano, Blue Mt. Form., Camperdown, Ontario.

DINOSAURIA : ORNITHISCHIA

- Prosaurolophus maximum*, Belly River formation, Cretáceo superior, Red Deer River, Alberta. (Cráneo, hueso cuadrado, vértebras del cuello y de otras regiones de la columna, escápulas, costillas, húmero izquierdo y parte del derecho, cúbito, radio, pelvis, parte de los fémures, tibias, dos metatarsianos, etc.)  
*Centrosaurus apertus*, Belly River formation, Cretáceo superior, Red Deer River, Alberta. (Cráneo.)

MAMMALIA : UNGULATA

- Diceratherium cooki*, Mioceno, Nebraska.
